Sulphate-free cleansers maintain the natural oils on the scalp and hair, which ultimately leaves your hair with more moisture. Won't dry your hair out as much as a sulphate shampoo would.

Since sulphate-free shampoo and conditioners are so gentle, they're less likely to wash away your hair dye

This product does NOT contain with any drugs, it is formulated by using FDA-approved with ingredient of pure herbal and toxic free, this product is suitable to use of all ages group.
