BOTAMIX RANGE

The words "Botamix" is a blends of two different words:
Bota (Botanical) and Mix (mix)

Botanical means a substance obtained or derived from plants
meanwhile, mix is combine or put together to form one substance.

A star ingredient added is the precious of "Sophora Angustifolia
Root Extract". Sophora angustifolia is a small shrub in the pea
family (Fabaceae). The root is known as "Ku Shen" which mean
"bitter root" in Chinese. For hair care, this extracts aids to improve
your overall hair and scalp wellness. It reinforces hair strength,
prevents hair thinning and at the same time maintains a healthy
scalp. Let your hair indulge in nutrients.

Your Hair, Our Care.
